

The 10th International Symposium of Quantum Beam Science at Ibaraki University (ISQBS2025)

Ibaraki University, Library Hall, Mito Campus | October 9–10, 2025 (Thu-Fri)

Official Homepage: <https://sites.google.com/view/isqbs2025/>

**Subtitle: Quantum Beam Science Across Scales:
From Single-Molecule Dynamics, Radiation
Transport, and Synthesis to Simulation and
Theory in Chemistry, Biology, and the Beyond
the Standard Model in Physics**

Registration

Registration fee: Free (online registration required)

Organizer:

Institute of Quantum Beam Science, Ibaraki University
